Labor Bill

SALT LAKE CITY—Negotiations have been practically completed for the sale of the Salt Lake Theatre and adjoining property to the Mountain States Telephone and Telegraph Company. The theatre will be sold Thursday by President Henry J. Grant.

The building passes from the hands of the Salt Lake Dramatic Association to the telephone company. Although for 60 years the old theatre has been the shrine of drama in Salt Lake, it seems that its days of usefulness have largely passed, and President Grant is anxious that its mission as a playhouse should be ended.

The theatre has long stood as a symbol of the culture of the early pioneers and all who are familiar with its romantic history deeply regret that it is torn down.

TULARE, Calif.—Scores of motorists were stuck and several minor collisions resulted from a big blockade which blocked the main highway for four miles south of here for two hours last Monday.

The blockade started when a truck loaded with a trailer of broilers collapsed. A huge crowd of motorists gathered here and immediately got busy. Traffic officers were called in and the situation points to war motorists, but the crowd proved to have a wider range than expected.

The highway was not cleared until midnight and the cars returned to their homes.

WASHINGTON, D. C.—The House of Representatives has approved the President's proposal for a pork-baron legislation.

He declared no measure of such an emergency nature as the bill. The bill was passed by a vote of 215 to 150. It was approved by Congress to the tune of \$100,000,000 to the army.

MEXICO CITY, Mexico—Several towns in Oaxaca were destroyed by a big earthquake which killed several people. The earthquake was felt in several states and caused a great deal of damage.

WASHINGTON, D. C.—Senator Jones, republican, "prosperity research bill" setting up a vast public works program to be used in case of depression, however employment drops, was ordered to be reported Monday by the senate commerce committee.

The bill would authorize to be appropriated, in addition to the regular salaries for such purposes, \$750,000 for river and harbor work, \$100,000,000 for food control, and \$150,000,000 for construction of public buildings.

STADIUM WORK DELAYS 'Y' DAY CELEBRATION

"Y" Day will not be held until after the work on the stadium is more nearly completed, according to Dave Tait. Then general work on the stadium and beautification of the grounds will be commenced. The celebration is rescheduled this year, due to a lack of funds, but it will probably be cleared if the plans were out.

Senior Project Not Yet Definitely Decided

The senate project for this year is to help toward the completion of the stadium. It is not yet definitely decided yet as to just which part of the project is to be taken up by the senior classes, but the decision will probably be reached in the very near future.

WESTERN FIRST COLLEGE DEBATE COMES MODERN DAY

Johnson, Candland will represent Young University in Argumentative Tilt

College Education Benefits Will Be Questioned When Two College Debaters Meet

Southwestern university, a new and reputable law school in Los Angeles, California, represented by Arthur S. Wolan, and Murray L. Candland, will defend the negative side of the question: Resolved, that in the United States we are sending too many people to college, against the affirmative side of the question: Resolved, that in the United States we are sending too many people to college. The debate will be held in College Hall, 1011 Commercial at 8 o'clock p. m., Monday, April 23.

The debate has been arranged through William S. Barber, debating coach of the Los Angeles school, and who was formerly of the University of Southern California, and for which school he has opposed Young university on two occasions.

The Young university debaters are experiencing their first inter-collegiate clash, but have had considerable experience before. Each has been on mission for the L. D. S. church, and each has had some actual debating experience of a minor character.

The admission to the debate is free, and all students are urged to attend. The question is vital to all college students.

This will conclude the 1928 debating season for Brigham Young University.

Madsen In Charge Of Mon. Music Program

Florence Jorgensen Madsen will have charge of the musical part of the program at the subterranean Monday evening in connection with "Let's Home Work."

Voting Began This Morning and Will Continue Through day; Polls Close at 5:30

Two Students Who Carry Highest Vote for Each Office Will Go Into Finals

The primary elections for student body officers has been held today between 9:30 and 5:30 in the faculty room. All students who are registered in the university are entitled to vote for the respective candidates, one vote being allowed for each office.

The two candidates receiving the highest vote for each office will go into the final election, regardless of how close the primary election was.

All students are urged to exercise their right and vote for next year's student body officers; but we reserve the right to disqualify any candidate whose ballot lobbying is done in and about the hall or the election building.

See Newslet for full list of candidates.

Harris Relates Events Of World Trip To H.S.

President F. S. Harris in his lecture before the students of the high school on their Wednesday assembly, told of the events and experiences recent of his world trip.

Dr. Harris told of the unusualness and the contrasts between the countries which he visited. He spoke of interesting experiences occurring in China, Japan, Hawaii and several other places of interest.

An interesting detail of the trip was the danger experienced while passing through the battlefields near the great wall of China. Dr. Harris' speech was interesting throughout and was enjoyed thoroughly by the audience.

The program given consisted of two selections by the high school chorus. Prayer was offered by Alma Hansen.

IT'S COMING

In a year or two we will come back to our campus and thrill with pride. Everywhere we look improvements are being made. New virgins, more lawns, hillsides being planted in green, campus being extended, all tend to make our campus one of the most beautiful in the west.

Separate Meetings Held This Morning

Separate meetings were held this morning in devotion, with Professor de Jong in charge of the fellows and Miss Helen Swenson, president of the A. W. S., in charge of the girls. The girls passed on the constitution of the organization and Mrs. Snow gave a talk.

An old adage says for one to be good and let those who will, be clever. But nowadays one has to be clever to be good.

"Developing" the tropics consists in making the natives work to earn money to buy the white man's goods.

PICK HIM OUT AND VOTE

Do you want the right man to be elected? Then vote! Every student has that right and every student who has any interest in assuring the success of the school will exercise that right. Usually the people who disagree with what they are run are the ones who don't use the choice they have in student body government. Put the man you want to be elected in office by voting for him.

WHAT DO YOU THINK?

Any new system lacks "definiteness" and detail. Such is the condition of our new social unit system. As new problems arise they must be acted upon by the governing body and precedents set.

A problem which recently has arisen deserves the attention of the governing body, and should be known by the students to that what is the general opinion of the students may decide the course to be taken. Some units have initiated pledged ceremonies and have pledged prospective candidates. There has been considerable proselytizing among high school students.

No rule has been laid down concerning these practices, but unless something in the way of a standard is set, and adhered to, there is a possibility of some serious complications arising.

AN EXCUSE

We regret that the stadium was not ready for us to do our work on it last fall soon after we played our two day's work, and while the habit of summer work was still fresh in our minds. It seems that the spring has had its usual effect and "the young man's" fancy turns to what the lady has been thinking about all winter. Men get playful and spend their time that way even when they are on the stadium site supposed to be working. So, we find a good excuse in blaming it on the spring but we would be much more fair to our selves if we would come right out and admit that a great number of them were born tired and have not lived it right yet.

Society

Last Monday evening Miss Josephine Berry and Miss Ada Green were hostesses to the members of the Dea Semi Fe Club. The evening was spent as a business meeting, after which luncheon was served to Ruth Hansen, Lydia Hansen, Dorothy Decker, Maimie Laird, Leah Nielsen, Ada Green, Francis Swan Afton Fin, Brian, Linda Peterson, Wilma Boyd, Helen Powelson, Helen Brown, Edith Potter, Louise Spafford, Beanie Hansen, Marlene Ben, Ruby Thurler, Margaret Johnson, Ireta Mortimer, Ora Gladstone and Harriette Nottel.

True happiness consists not in the multitude of friends, but in the worth and choice—H. Johnson.

The faculty of the University of Utah have organized themselves into rival polo teams.

Prehman (in exasperation)—Where do I go to wash my dishes?

She was only a taxi-driver's daughter, but nevertheless she drove many men to drink.

Miss Verna Scott and Miss Janet Scott entertained the Masa Chorus Club at the home of Miss Scott Monday evening. Those present were Miss Lucille Tuttle, Miss Billie Bean, Miss Leah Broadbent, Miss Margaret Broadbent, Miss Anna Smoot, Miss Maud Froese, Miss Bernice Barton, Miss Alice Clark, Miss Norma Thurler, Miss Florence Peterson, Miss Evelyn Brown and the hostess. The members of this club are to be entertained at a hiking party Saturday evening.

Miss Leah Thompson, Miss Margaret Swenson, and Miss Gladys Watson, all former students, were campus visitors this week.

Tonight the members of the Pictorial club are to be hostesses to the Pictorial and special guests at an informal dancing party at the Manava Ward social hall. Dainty Japanese design has been carried out in the entertaining hall, invitations and refreshments are also featured. About eighty-five are to be present.

Miss Elaine Thompson entertained the D. Thistle social unit at her home Thursday evening. The conjoint hostesses were Miss Jewel Lindahl, Miss Euphemia Hunter and Miss La. Roe Gould.

Miss Ardisse Weaver of the University of Utah, was the week-end guest of Miss Winnie Heywood.

The Costa Tea will entertain their partners and the athletes of the Cougar basketball unit at a late party next Saturday evening. A treasury treasure hunt has been planned, and a supper will be served around a bon fire.

The geology class held a good rock party Tuesday afternoon. A good time was had by all the participants. The host was Dr. Hayes.

Misses Irene Omond, Nan Omond, and Maurine Walker entertained about thirty number fourteen at their home Monday evening. During the evening a musical was discussed and a delicious luncheon was served to the Misses Alice Scorp, Cecelia Scorp, Irene Holbrook, Katherine Eyring, Edna Miller, Emma Henselmeyer, Nina Rich, Maurine Henselmeyer, Fern Jude and the hostesses.

As proof that you have a true sense of humor, laugh at yourself occasionally.

"Judge" Clark states that it would be a wonderful opportunity as he will be able to board and room free, only his things he will need more room than board.

The University of Notre Dame is to build a new football stadium with a seating capacity of 50,000 at a cost of \$500,000.

DIDN'T STAY OUT

Patience—Why do you marry my daughter? Why, young man, she doesn't even know the use of a rolling pin.

Sutton—Well, even—I'm not used to stay out.

Whit—"Did you ever read proof?" Jenkins—No, who would?

MUNK, GILCHRIST MEET IS SCHEDULED

The long looked for tennis finale between Lewis Munk and Gilchrist will take place next week when both boys again will meet in a round robin tournament. This match between Munk and Gilchrist will be of double importance, in that the winner will likely represent the school in the time trials in the coming match with the Aggies.

"There's one born every minute," says a whole of a difference few cents make—"S. H. Kras."

SHIELDS WILL NOT ENTER A.A.U. MEET IN OGDEN

But Shields will not enter the A. A. U. swimming meet to be held at Ogden tonight and tomorrow night. A meeting early in the evening of the Ogden swimmers brought out a decision adverse to the entry of the swimmer in the Northern Utah day. Several reasons were behind the decision. Lack of confidence training for the past two weeks has lowered their condition to such an extent that the best showing possible would be the least. Lack of fitness after the long trip to Philadelphia seems to be hanging about. Probably the greatest reason for the decision is that Shields is a very young man. He needs a rest before beginning his training for the Olympics.

Entry in the meet would not be advantageous in the event that he does not have everything to lose and nothing to gain.

"I just thought of a good joke!" "Oh, Vin, give your mind off your seat."

All work and no play makes Jack's wife turn to the cake maker.

The better from a tree carrier, the more it gets stood.

The Canadian border is just an imaginary line with an occasional hawk that isn't imaginary.

There is lots of desert birds that ground the grackle, but from the pictures you wouldn't guess it.

NEXT TO NOTHING

Mrs. Gossaway—She married Cholly
Nobson, you know. What's her po-
sition in life?
Mrs. Stubb—Next to nothing, my
dear.

"Dangerous curves ahead," signed
the warning sign, approaching the
bevy of beach beauties.

"If looks could kill, I'd assassinate
you with a glance."
"If looks could kill it's suicide
for you to look in a mirror."

WHEN MOTHER FUMES

Daughter—Small mouso.
Dad—Don't worry, it's your mother
in the next room—she's just fuming.

Watson—No, you'll never know
what real happiness is until you are
married.

Wilkins—Is that so?
Watson—It's the truth. And then
it will be too late for you to ap-
preciate it.

The average cost of a four-year
course at the Ohio State university is
estimated at \$4,000
